

CERTIFIED IN THE GOVERNANCE OF ENTERPRISE IT

CGEIT | COURSE CODE: SEC-324

COURSE DETAILS

Intrinsec's Certified in the Governance of Enterprise IT (CGEIT) training program is a cyber security knowledge course which provides a comprehensive review of the knowledge and application of enterprise IT governance principles and practices. Successful CGEIT students will gain a complete understanding of the material presented and ultimately enhance their value as IT governance professionals.

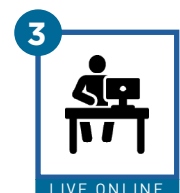

Additionally, this course will help students prepare for the CGEIT certification exam issued by ISACA.

COURSE BREAKDOWN

Intrinsec's CGEIT training and course material focuses on the four examination domains within the CGEIT certification. For more information on these domains, along with additional course details, please visit [Intrinsec's CGEIT course webpage](#).

- DOMAIN 1 | **Framework for the Governance of Enterprise IT**
- DOMAIN 2 | **Strategic Management**
- DOMAIN 3 | **Benefits Realization**
- DOMAIN 4 | **Risk Optimization**
- DOMAIN 5 | **Resource Optimization**
